

Courtesy Notice* for a Proposed Project in your Neighborhood

May 2, 2024

Dear Property Owner:

The City of Reno Development Services Department received an application to allow for the development of a single family attached townhome subdivision. If you are interested in learning more about the proposed project, the application is available online at <http://bit.ly/reno-LDC24-54>.

You will receive an official notification when the request is set for a public hearing. For more information, contact the staff member listed below. To provide comments, visit <http://bit.ly/reno-comment>.

**This is not a legally required notice, but rather is provided to you as a courtesy to engage you early in the development review process.*
